LEADING INTO THE FUTURE

KN UNIVERSITY

Where Education Meets Innovation

At KN University, we are dedicated to fostering a holistic and multi-disciplinary education approach to bridge the gap between the ancient and the modern era. KN University is the perfect place for students who are looking for innovation, creativity and stimulating learning environment. We aim to combine to ancient practices of Indian education with modern travails of Artificial Intelligence to bring forth a cultural shift in the way the society looks at education. Our knowledgeable and experienced faculty members go beyond traditional teaching methods to create an innovative and rewarding atmosphere for students. We are committed to our students' growth and success, aiming to develop personally, professionally, and socially responsible human beings who can leave their mark in any domain. Join us at KN University, and unlock your full potential with our holistic and well-rounded educational experience.

OUR LEGACY

We are a group that takes pride in our new concept of education, offering quality education from primary education to all the way to university level. Our primary, secondary, and higher secondary schools provide a seamless transition to university courses, ensuring a holistic and multidisciplinary educational experience.

VISION

Our vision is to be a leading institution of higher education that provides world-class education, innovation and research opportunities in diverse fields with experiential learning and excellence.

MISSION

Our mission is to provide a transformative educational experience that empowers students to become responsible global citizens, who are committed to excellence, innovation, and social responsibility. We aim to foster an inclusive, collaborative, and stimulating learning environment that promotes creativity, critical thinking, and lifelong learning. Through our rigorous academic programs, cutting-edge research, and community engagement, we strive to create leaders who can address the challenges of the 21st century and make a positive impact on the society.

In line with the Vision & Mission:

- We prepare our students for Three-tier Employability

CAMPUS TO CORPORATE JOURNEY

Provide training & guidance to our students to get ready for competitive & professional examinations

ENTREPRENEURAL ASPECT

Providing guidance for availing governments grants, subsidies and loans

START-UPS

Mentoring students to develop their innovative ideas and help them to create prototype and get the funds from different sources

- National and International Internship
- Exposure to Global Higher Education

PRESIDENT'S MESSAGE

BIPIN PATEL

At KN University, we believe that education is the key to unlocking human potential and creating a better world. Our institution is built on a foundation of innovation, excellence, and social responsibility and we are committed towards providing a transformative educational experience to our students. Our goal is to develop responsible leaders who are equipped to tackle the challenges of the 21st century and make a meaningful impact on society. Join us on this journey of discovery, learning, and growth. Each of us on this team will have a responsible role to play.

VICE PRESIDENT'S MESSAGE

DHRUV PATEL

It has been an interesting journey of building the KN University. At KN University, we strive for a unique, holistic and multi-disciplinary educational model to become the nucleus for education and innovation. We are glad to welcome students in our futuristic university that promotes blended model of education and employability system. This model will cohesively emulate the best practices from the past yet ensure a futuristic approach to academia. Our dedicated faculty and staff are passionate about helping students unlock their full potential and achieve their goals. Be a part of an inspiring educational journey that will transform your life.

VICE CHANCELLOR'S MESSAGE

DR. SUBHASH BRAHMBHATT

At KN University, we are dedicated to providing a transformative education that equips our students with the knowledge, skills, and experiences necessary for getting success in their chosen fields. We value diversity, inclusivity, and collaboration. We believe that a vibrant and inclusive campus community enriches the educational experience for all. We, at KN University, encourage our students to embrace diversity, engage in meaningful dialogue, and contribute to positive change in society.

PRO VICE CHANCELLOR & REGISTRAR'S MESSAGE

DR. APURV RAVAL

At KN University, we take pride in offering a wide range of academic programs that are designed to meet the evolving needs of industries and society. We believe in the power of experiential learning and strive to provide our students with ample opportunities for practical application of knowledge through internships, industry collaborations, and community engagement. We, at KN University, also emphasize the development of critical thinking, problem-solving skills, and a global perspective to equip our graduates with a competitive edge. Be a part of our lively and dynamic campus community.
