ABOUT KN UNIVERSITY

Best Emerging University

by

THE TIMES OF INDIA

K.N. UNIVERSITY

WHERE EDUCATION MEETS INNOVATION

We are dedicated to fostering a holistic and multidisciplinary education approach to bridge the gap between the ancient and the modern era. We aim to combine ancient practices of Indian education with modern advancements in Artificial Intelligence to bring forth a culture shift in the way society looks at education. Join us at KN University and unlock your full potential with our well-rounded educational experience.

VISION ✗

KN University aspires to emerge as a leading institution of excellence, dedicated to creating and disseminating knowledge through transformative education, innovation, entrepreneurship, interdisciplinary research and holistic development rooted in ethical values.

MISSION ⊕

To foster intellectual growth and innovation by empowering learners to become ethical, compassionate leaders and critical thinkers, directing bold ideas towards impactful solutions, and engaging in collaborative, interdisciplinary research for economic and social progress.

STRATEGIC GOALS ⠿

The university implements a strategic **Three-tier Employability Model** to ensure students are fully prepared for the future, aligned with NEP 2020.

Campus to Corporate Journey

Focuses on providing training and guidance to prepare students for competitive and professional world.

Global Exposure

Ensures access to global opportunities, internships, and collaborations to enhance cultural adaptability and develop international skills.

Entrepreneurial Aspect & Start-Ups

Supports students by offering guidance for availing government grants, subsidies, and loans to spearhead ventures.

PRESIDENT'S MESSAGE 💬

At KN University, we believe that education is the key to unlock human potential & creating a better world. Our institution is built on a foundation of innovation, excellence & social responsibility and we are committed to provide a transformative educational experience to our students. Our goal is to develop responsible leaders who are equipped to tackle the challenges of the 21st century & make a meaningful impact on society. Join us on this journey of discovery, learning & growth. Each of us on this team will have a responsible role to play.

- BIPIN PATEL (GOTA)

VICE CHANCELLOR'S MESSAGE ❝

It's a proud moment to be part of KN University's rich legacy in the vibrant city of Ahmedabad. As Vice Chancellor, it's my privilege to lead this institution with the support of our talented students, faculties, and stakeholders. Our academicians drive impactful research and progressive policies. In line with NEP 2020, we've advanced holistic learning through flexible programmes and innovative initiatives. We're committed to nurture talent, fostering innovation, and contributing to Aatma Nirbhar Bharat and Viksit Bharat. I warmly welcome you to the KN University Parivar and wish you a bright future.

- PROF. (DR.) VIJAY KUMAR SRIVASTAVA

VICE PRESIDENT'S MESSAGE "

It has been an interesting journey of building the KN University. At KN University, we strive for a unique, holistic and multi-disciplinary educational model to become the nucleus for the education & innovation. We are glad to welcome students in our futuristic university that promotes a blended model of education and employability system. This model will cohesively emulate the best practices from the past yet ensure a futuristic approach to academia. Our dedicated faculty members and staff are passionate about helping students unlock their full potential and achieve their goals. Be a part of an inspiring educational journey that will transform your life.

FACULTY OF TECHNOLOGY

At KN University's Faculty of Technology, we are dedicated to nurture innovative minds and technical talent equipped to shape the future of industry and society. Our cutting-edge programmes blend theoretical foundations with practical applications, preparing students to excel in the rapidly evolving technological landscape of the 21st century.

We believe in fostering a learning environment that encourages creativity, critical thinking, and collaborative problem-solving. Our state-of-the-art laboratories, industry partnerships, and experienced faculty members provide the students with unparalleled opportunities to develop technical expertise alongside essential leadership and entrepreneurial skills. The advanced AR/VR Lab is a specialised computing lab facility designed to support immersive computing.

B.Tech (Computer Science & Engineering)
(4 Year Programme)

Intake: 90

Eligibility: HSC (10+2)* or equivalent examination from a recognised board (with Physics and Mathematics mandatory) + GUJCET (current academic year).

Selection Criteria: Admission through ACPC including management quota to be filled by KN University.

Programme Highlights:

- Advanced curriculum focusing on artificial intelligence, machine learning and next-generation software architecture.
- Industry-aligned practical training in specialised computer engineering laboratories equipped with cutting-edge hardware and software tools.
- Industry partnerships providing internships, live projects, and mentorship from leading technology companies.
- Specialised tracks allowing students to focus on areas such as computer vision, robotics integration, or high-performance computing.

B.Tech (Information Technology)
(4 Year Programme)

Intake: 90

Eligibility: HSC (10+2)* or equivalent examination from a recognised board (with Physics and Mathematics mandatory) + GUJCET (current academic year).

Selection Criteria: Admission through ACPC including management quota to be filled by KN University.

Programme Highlights:

- Comprehensive training in data science, cloud computing architectures, and enterprise-level cybersecurity implementations.
- Hands-on experience with industry-standard tools for data analytics, network management, and information security.
- Specialised laboratories for cloud infrastructure, IoT development, and secure systems design.
- Professional certification pathways integrated into the curriculum to enhance employment opportunities.

FACULTY OF
COMPUTER APPLICATION

The Faculty of Computer Application offers programmes including BCA, MCA, IMCA, B.Sc, IM.Sc and specialised Cyber Security, Artificial Intelligence & Data Science degrees. Our goal is to prepare highly competent IT professionals for the modern digital era.

The curriculum builds strong foundations in computer science, programming, networking, and cloud technologies. Our state-of-the-art computer laboratories, equipped with advanced software and high-end systems, provide an immersive learning environment. Students gain skills through practical training, industry internships, and live projects, ensuring they contribute meaningfully to the global technology ecosystem.

BCA (Bachelor of Computer Application)
(3/4 Year (Honours) Programme)

Intake: 120

Eligibility: HSC (10+2) or equivalent examination from a recognised board.

Selection Criteria: As per the norms of KN University.

Programme Highlights:
- Acquire in-depth knowledge of cybersecurity threats.
- Build proficiency in cybersecurity tools & technologies.
- Enhance skills in security protocols & governance.
- Provides tools for effective communication and collaboration.

MCA (Master of Computer Application)
(2 Year Programme)

Intake: 60

Eligibility: Graduate (any stream*) with a minimum of 50% marks.
(45% for reserved category candidates)

Selection Criteria: Admission through ACPC including management quota to be filled by KN University.

Programme Highlights:
- Strengthen expertise in strategic IT planning.
- Advanced skills in data management & analytics.
- Master tools & methodologies for IT Service Management (ITSM).
- Enhance the knowledge of cybersecurity frameworks & implementation strategies.

IMCA (Integrated Master of Computer Application)
(5 Year Programme (BCA + MCA))

Intake: 60

Eligibility: HSC (10+2) or equivalent examination from a recognised board with English and any one of these subjects: Mathematics, Physics, Statistics, Business Mathematics, Elements of Accountancy, Elements of Bookkeeping.

Selection Criteria: As per the norms of KN University.

Programme Highlights:
- Integrates core computer applications with advanced IT & software development expertise.
- Provides in-depth knowledge of programming, database management & emerging technologies.
- Equips students with practical skills in software development & IT solutions.
- Enhances problem-solving & analytical skills with practical exposure.

*As per education department & concerned apex body

B.Sc (AI, Data Science)
(3/4 Year (Honours) Programme)

Intake: 60

Eligibility: HSC (10+2) or equivalent examination from a recognised board.

Selection Criteria: As per the norms of KN University.

Programme Highlights:

- Master advanced techniques in data analytics.
- Gain expertise in designing & developing AI models.
- Develop leadership skills for collaborative projects.
- Understand ethical AI practices and responsible data management.

Integrated M.Sc (Information Technology)
(5 Year Programme (B.Sc + M.Sc))

Intake: 60

Eligibility: Graduate (any stream*) with a minimum of 50% marks
(45% for reserved category candidates)

Selection Criteria: As per the norms of KN University.

Programme Highlights:

- Offers a comprehensive understanding of IT fundamentals & advanced specialisation.
- Develops skills in software development, data analytics & IT infrastructure management.
- Equips students with research-oriented tools & techniques in the IT domain.
- Develops advanced technical expertise for research, innovation & leadership roles.

FACULTY OF MANAGEMENT STUDIES

The Faculty of Management Studies develops dynamic leaders with the knowledge, skills, and strategic mindset needed for today's business world through its BBA, MBA, and iMBA programmes. The curriculum is industry-driven, focusing on managerial competence through conceptual understanding and hands-on learning via case studies, internships, and field projects across areas like leadership, finance, and business analytics. The BBA provides a foundation in business concepts and key skills. The MBA enhances advanced capabilities, strategic decision-making, and leadership using contemporary tools and specialised electives. The iMBA is a five-year integrated path that builds strong business acumen from an early stage. The faculties takes a holistic approach, encouraging participation in research and innovation to develop confident, ethical, and future-ready professionals for the global economy.

BBA (Marketing, Finance, HR, Data Analytics)
(3/4 Year (Honours) Programme)

Intake: 120

Eligibility: HSC (10+2) or equivalent examination from a recognised board.

Selection Criteria: As per the norms of KN University.

Programme Highlights:

- Strengthen strategic decision-making.
- Develop skills for process optimisation.
- Prepare for excellence in project management & execution.
- Helps in leadership development.

MBA (Marketing, Finance, HR, Data Analytics)
(2 Year Programme)

Intake: 60

Eligibility: Graduate (any stream*) with a minimum of 50% marks
(45% for reserved category candidates)

Selection Criteria: Admission through ACPC including management quota to be filled by KN University.

Programme Highlights:

- Master strategic leadership & advanced decision-making techniques.
- Enhance cross-functional collaboration & team management skills.
- Build global business acumen for navigating international markets.
- Gain expertise in quantitative methods & data-driven decision-making.

IMBA (Integrated Master of Business Administration)
(5 Year Programme (BBA + MBA))

Intake: 60

Eligibility: HSC (10+2) or equivalent examination from a recognised board.

Selection Criteria: As per the norms of KN University.

Programme Highlights:

- Combines foundational business knowledge with advanced managerial skills.
- Develops expertise in leadership & organisational management.
- Provides a strong foundation in business administration & management.
- Equips students with industry-relevant skills for diverse business environments.

*As per education department & concerned apex body

FACULTY OF PHARMACY

At KN University, we are deeply committed to shape the future of healthcare through excellence in pharmaceutical education and cutting-edge research. We provide a foundation for a successful and impactful career.

Our state-of-the-art facilities and advanced laboratories ensure students gain hands-on experience with the latest technologies. This infrastructure, combined with our dedicated and highly experienced faculty members, supports a cutting-edge curriculum that emphasizes clinical applications, drug discovery, and patient care management. By integrating interdisciplinary learning and ethical practice, we prepare our students to meet the evolving challenges of the modern healthcare industry and become leaders in the field.

B.Pharm (Bachelor of Pharmacy)
(4 Year Programme)

Intake: 60

Eligibility: HSC (10+2)* or equivalent examination from a recognised board. (A or B or AB Stream) + GUJCET (Current academic year)

Selection Criteria: Admission through ACPC including management quota to be filled by KN University.

Programme Highlights:

- A comprehensive understanding of pharmaceutical knowledge.
- Provides hands-on practical training.
- Enhances skills in patient-centred communication.
- Promotes adherence to regulatory standards & ethical practices.

*As per education department & concerned apex body

FACULTY OF COMMERCE

We develop competent, ethical, industry-ready commerce professionals with strong analytical and managerial abilities. Programmes (B.Com and M.Com) focus on financial systems, business operations, taxation, and accounting. Practical, case-based learning prepares graduates for the global business ecosystem. The School utilizes a learner-centric approach to instil confidence, integrity, and innovation in all students.

B.Com (Accounting / Finance) - Syllabus aligned with CA course.
(3/4 Year (Honours) Programme)

Intake: 60

Eligibility: HSC (10+2) or equivalent examination from a recognised board.

Selection Criteria: As per the norms of KN University.

Programme Highlights:
- Gain expertise in financial analysis & reporting.
- Enhance strategic financial planning & management skills.
- Develop advanced accounting proficiency.
- Foster collaboration and communication skills.

M.Com (Accounting / Finance)
(2 Year Programme)

Intake: 60

Eligibility: Graduate (any stream*) with a minimum of 50% marks. (45% for reserved category candidates)

Selection Criteria: As per the norms of KN University.

Programme Highlights:
- Expertise in Financial Reporting & Tax.
- Advanced skills in Investment Analysis & Modeling.
- Mastery of Financial Management Tools & Methods.
- Knowledge of IFRS/GAAP and Regulatory Compliance.

*As per education department & concerned apex body

FACULTY OF HUMANITIES & LIBERAL STUDIES

The Faculty of Humanities and Liberal Studies provide an inclusive educational experience for students from diverse backgrounds. Whether pursuing a career or developing creative skills, the school offers an interdisciplinary Programme. Liberal Studies is personalized to student interests, offering a strong foundation in the humanities, natural sciences, and social sciences to develop a comprehensive worldview.

BA (English / Psychology)
(3/4 Year (Honours) Programme)

Intake: 60

Eligibility: HSC (10+2) or equivalent examination from a recognised board.

Selection Criteria: As per the norms of KN University.

Programme Highlights:
- Gain expertise in both literary analysis and human behaviour processes.
- Enhance advanced writing, critical theory, and research skills.
- Develop proficiency in understanding diverse cultural contexts.
- Foster observation, communication, and interpretation skills.

MA (English / Psychology)
(2 Year Programme)

Intake: 60

Eligibility: Graduate (any stream*) with a minimum of 50% marks. (45% for reserved category candidates)

Selection Criteria: As per the norms of KN University.

Programme Highlights:
- Expertise in Advanced Literary Theory & Specialised Psychology.
- Advanced skills in Scholarly Writing & Psychological Intervention.
- Mastery of Research Methods (Qualitative/Quantitative) & Ethics.
- Knowledge of Digital Humanities and Global Mental Health.

*As per education department & concerned apex body

FACULTY OF RESEARCH & INNOVATION

The Faculty of Research & Innovation promotes a strong culture of inquiry, creativity and interdisciplinary learning. With specializations in Management, Commerce, Computer Science and the Indian Knowledge System, our programmes prepare scholars to conduct meaningful, impactful research useful for society.

Students gain exposure to advanced research methods, contemporary academic frameworks and real-world problem-solving. They explore emerging trends across their fields, develop analytical depth and contribute original insights through projects, publications and patents.

We encourage students to participate in conferences, collaborate with experts and publish in reputed journals. Our supportive ecosystem ensures that every scholar grows into an innovative, ethical and globally-aware researcher capable of creating positive academic and societal impact.

Ph.D

Intake: As per the norms of KN University.

Eligibility: Master's Degree or Professional Degree with a minimum of 55% marks.
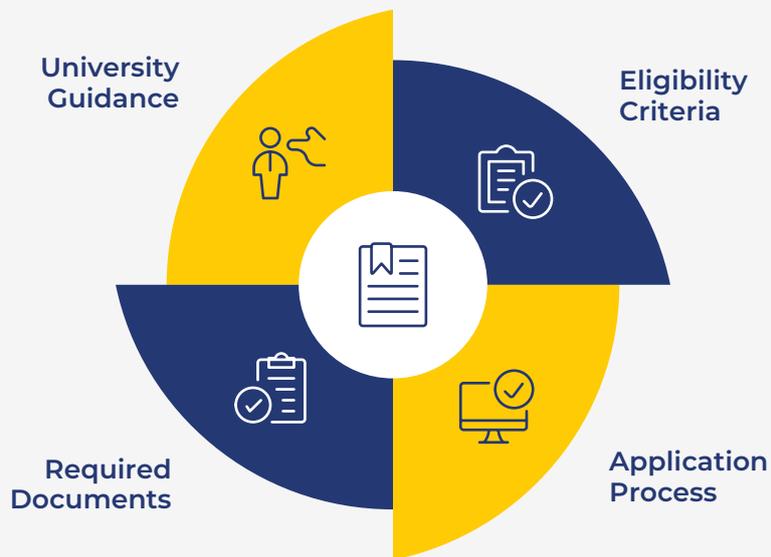

Selection Criteria: As per UGC Norms.

Faculties (Specialisations):

- Management
- Pharmacy
- Engineering
    - Computer Science
    - Information Technology
- Physics
- Commerce
- Computer
- Mathematics
- Environment Science
- English
- Psychology

SCHOLARSHIP

KN University ensures that students from different backgrounds can pursue their education without financial barriers. The university guides students in exploring suitable government scholarships helping them understand eligibility requirements and complete applications. Also KN University offers merit based, rank based and sport based scholarships to the admitted students. This support makes quality education more accessible and encourages to students to continue their academic journey with confidence.

University Guidance

Eligibility Criteria

Required Documents

Application Process

Who Can Apply?

Students at KN University can apply for scholarships if they meet the criteria set by the respective schemes,
which may include:

- Academic performance
- Category or community eligibility (as per government rules)
- Family income limits specified by the scheme
- Additional requirements mentioned in the scholarship guidelines

How to Apply?

Eligible students can apply through the official portals of the respective scholarship programmes.
The general process includes:

- Registering on the scholarship website
- Filling in the online application form
- Uploading required documents
- KN University provides guidance throughout the process to ensure students apply correctly and on time

OUR FACILITIES

We provide several key facilities, including 12-hour Library and Computer Labs, a Pharmacy Research Lab, a Language Lab, Hostel Accommodation*, Pick and Drop services*, and a canteen for student dining. These resources ensure students have the necessary tools for academic and practical success. Our recreational and sports spaces further promote physical well-being, fostering a culture of innovation, excellence, and holistic student development.

INCUBATION & INNOVATION CENTRE

KN University fuels students' innovation via three initiatives: MHRD's Innovation Cell, the Institution's Innovation Council (IIC), and the Student Startup and Innovation Policy (SSIP 2.0) of Gujarat.

These programmes involve students in national activities, workshops, and training to boost problem-solving. SSIP 2.0 provides a structured platform for developing ideas, prototypes, and entrepreneurial projects with state support.

The KN Incubation Centre reinforces this by offering up to ₹2.5 lakhs per project, IP filing aid, expert mentorship, modern labs, and co-working spaces. Through exposure and guidance, KN University helps students turn innovative concepts into real-world solutions.

K.N. SPORTS ARENA

It promotes a strong sports culture, encouraging fitness, teamwork, and discipline. Students participate in tournaments and events that build spirit, leadership, and resilience.

Cricket | Volleyball | Basketball | Lawn Tennis | Pickleball

CLUBS AT KN UNIVERSITY

ROBOTIC CLUB

Promotes technical expertise and innovation through hands-on robotics and automation. Focuses on AI, Machine Learning, and IoT to build practical knowledge and problem-solving skills.

DRONE CLUB

Explores UAVs (drones), teaching design, programming, and flight control. Builds skills in remote sensing for applications like aerial photography and disaster management.

SPORTS CLUB

Promotes physical fitness and team spirit through regular activities and tournaments. Offers a platform for indoor and outdoor sports like cricket, football, and chess, and facilitates coaching for inter-collegiate events.

COMPETITIVE EXAM PREPARATION CLUB

Supports students for competitive exams. Provides strategic guidance, mock tests, and mentoring programmes to ensure aspirants succeed in their chosen career paths.

CULTURAL CLUB

Celebrates diversity and artistic expression through music, dance, drama, and fine arts. Engages students in organizing and participating in festivals, cultural fests, talent shows, and traditional day celebrations.

LITERARY CLUB

Nurtures reading, writing, and critical thinking. Students express themselves through debates, essays, and public speaking. Hosts creative writing workshops, quizzes, and inter-college competitions to boost communication skills.

YOUTH DEVELOPMENT CLUB

Builds holistic growth and leadership skills. It offers activities in personality development, social responsibility, and career readiness. The club empowers youth to become confident individuals and responsible citizens.

CULTURAL EVENT (GARBA)

KN University hosts its own Garba celebrations during Navratri, giving students a chance to experience and enjoy traditional Gujarati culture. The event brings together music, dance and enthusiastic participation, adding to the lively and engaging student life at the university.

CULTURAL EVENT

KN University celebrates its grand annual function, 'Abhinandan,' providing a prestigious platform for students to showcase their extraordinary talents and creative spirit. The event radiates energy and excitement through diverse performances, fostering a strong sense of community and pride within the university.
